

The Angels say: Your mission is to be who you are, to know who you are and to vibrate at your highest potential. When you do, you are the most magnificent lighthouse and even though the storm around you surges and the wind is blowing, your light is making all the difference to those who are seeking. You are in the midst of a change of energy and it is intensifying. You are coming into a new energy. It is the energy that is marked by your year of 2012. It is the energy of change for the entire planetary consciousness and all of you will have to adjust to the new tune. The tune that is being introduced to you is the one of unity consciousness. It is the tune that delivers to you the frequency of the New Sun. It is your time to choose as all of you will face the dilemma of light or dark; separation or unity. We are your messengers reminding you of what you already know. We are here to remind you that you are indeed loved, that you are family, and to remind you that there is never a judgment on how far you reach. You are light and you are eternal. We wish you to realize that everything you see around you was created for you so you can move to where you are standing now. We wish you to take one more step forward so you can remember who you are and remind others who they are. We wish you to know that you are a part of God, and so be it. Comments from readers: I've been profoundly touched and influenced by these messages. This book has changed my life. -M. D. NYC, NY I am speechless over Conversation With Angels. Nothing that I say would even come close to the experience that I am having while reading. All I can say is Thank You. -J. V. Saugerties, NY Conversation with Angels is without a doubt the most important book I have read, likely in my life, but certainly since becoming aware that I am spirit. Reading these messages from the angels has taken my awareness to new ground, clarified so much for me, and shed entirely new light on what is truly important on this journey. Everything they say makes sense to me, in my whole being, as if I have known it all already somehow... and yet they give us such a clear sense of whom we are and why we are here, in a way that no one else can. The angels are so full of love and support for us, and becoming aware of them is a gift beyond measure. Reading their messages to us is a delight and an honor that has profoundly expanded my inner world. -J. S. Putney, Vermont
