

Microwave ovens revolutionized lunch. Dishwashers revolutionized cleanup. And Briefs for the Reading Room has revolutionized books! In this book await 102 micro-novels, perfect for your busy lifestyle. Character development is a bit like waiting for the oven to preheat. If you want to cook a conventional meal, you have to sit through it. With micro-novels you just push the button and go, the characters are instantly someone you recognize so you can fill in the back story. Briefs gets right to the good stuff, finishes up in a hurry, and gets you on with your life. Yes, they're perfect for the bathroom but they're also perfect any time you have a few minutes to fill. Read them at the dog park, at the car wash, waiting for the dentist, anywhere a traditional book just doesn't fit with your go-go lifestyle. Briefs for the Reading Room... Join the movement!
