

Previously published in Hardcover as Dancing With Rose One journalist's riveting and surprisingly hopeful in-the-trenches view of Alzheimers Nearly five million people in the United States are living with Alzheimers. Like many children of Alzheimers sufferers, Lauren Kessler, an accomplished journalist, was devastated by the disease that seemed to erase her mothers identity even before claiming her life. But suppose people with Alzheimers are not slates wiped blank. Suppose they experience friendship and loss, romance and jealousy, joy and sorrow? To better understand this debilitating condition, Kessler enlists as a bottom-of-the-rung caregiver at an Alzheimers facility and learns lessons that challenge what we think we know about the disease. A compelling, clear-eyed, and emotionally resonant narrative, Finding Life in the Land of Alzheimers offers a new optimistic look at what the disease can teach us and a much-needed tonic for those faced with providing care for someone they love. From the Trade Paperback edition.

Commerce and the Countryside: The rural populations involvement in the commodity market in Flanders, 1750-1910 (Economy, Environment and Demography), Intangible Impairment: Qualitativer Impairment-Test fur immaterielle Vermogenswerte (German Edition), Advances in Intelligent Data Analysis: 4th International Conference, IDA 2001, Cascais, Portugal, September 13-15, 2001. Proceedings (Lecture Notes in Computer Science), Interorganisationales Schnittstellenmanagement: Ein Konzept zur Unterstutzung des Managements von Transaktionen (Schriften zur Unternehmensplanung) (German Edition), Place Doublons Puzzle Pour Les Enfants: Cahier Dactivites Les Enfants (French Edition),

Dancing with Rose has ratings and reviews. Donna said: My mother is in the beginning stages of memory loss, so I found this book particularly hel.
