

If you are not living up to your full potential, then you must Find Your Excellence. Everyone and anyone can benefit from this success skills workbook. This is not a book you read, its a book you do. More than a book on personal growth, this workbook is full of activities and exercises to help the reader find their path to greatness. You will never achieve your dreams without the life skills to be your best. A great class on how to start a business, how to attract your soul-mate or where to invest your money won't give you positive results, if you are standing in the way of your own happiness. Before you do anything else, you must explore how YOU are contributing to your own lack of success. No one should miss this opportunity! This interactive workbook is a fun way to bond with friends, heal relationships, find your purpose and change your life. One sentence can change your point of view. One change in your point of view can make a big difference. One difference can change everything. Using her experience as a motivational speaker, business consultant and life coach, Kellie Nicholson will share with you her techniques for success in the most crucial areas of life. She says this workbook teaches you how to coach yourself. Think of all the money you would spend to use a life coach on a regular basis. With a down-to-earth style, Kellie Nicholson loves to push her clients and students beyond their limits. What she says she's learned through it all is that everyone is worth fighting for and anyone can succeed! Find your path to greatness using this soul-searching program or give it as a gift.
