

Learning how to make jewelry has never been more simple as it is with this new ebook by Poli Ness. How To Make Beaded Bracelets is a valuable ebook, not only does it contain written instructions for unique jewelry making ideas but it also comes with video tutorial for each set of instructions. This is a wonderful addition to the book since some people are visual learners and need images in order to learn a new skill. Having videos paired with each bracelet making manual allows you to follow along with the video while reading and ensuring that you will not make a mistake while manufacturing your unique bracelet. This jewelry making handbook is the perfect fit for those who learn by reading or watching, making it accessible for all types of people. This ebook not only comes with free video tutorials but also a free subscription to Poli Ness's online magazine that has 31,567 subscribers across the world. With a subscription to this magazine you are able to unlock countless, more one of a kind beaded handmade jewelry ideas. This book is set apart from other jewelry making books. It make it possible for you to purchase all of the necessary beads and supplies directly from the book itself. At the beginning of each bracelet tutorial there are links to take you to the proper online store in which to purchase all materials for the following bracelet. This option cuts out having to research nearby crafting stores or having to travel to multiple locations to gather all of the supplies that you need. Being able to buy all of these supplies from one easy to navigate location allows you to take focus off of acquiring supplies and focus on the task at hand - learning to make your own jewelry. Each of the handmade beaded bracelets that you will learn to make is absolutely simple to fashion. Although they are simple to make, every bracelet is one of a kind. Although Poli Ness does make it clear that you must use all the supplies that she recommends, you are able to change out the colors of beads that you use. Being able to change the colors allows you to make countless bracelets to match many different outfits. Not only do the actual directions for making bracelets create beautiful and unique pieces but you are able to put a bit of your own spin on these tutorials by adding your own creative color schemes. Each bracelet adds a fun accent to any outfit, ensuring compliments whenever you wear one of your handmade originals. This ebook gives fantastic directions with accompanied video to help every reader acquire basic skills in the art of making bracelets. With the skills learned from Poli Ness's brilliant ebook tutorials a reader can eventually learn to fashion their own bracelet styles. The directions are so easy to follow that you will be able to build a solid enough base in your skill to create almost any bracelet that you are able to dream up.
