

This Collectors Edition of the first book from the USA Today bestselling Academy Ghost Bird series comes complete with Academy-inspired recipes and the popular alternate POV story, Meeting Sang. With an agoraphobic mother and a barely-there father, Sang abhors the isolation keeping her in the shadows. The only thing Sang craves is a fresh start and to be accepted as ordinary by her peers, because for her being different meant being cast out alone. When her family moves to a new school district, Sang infiltrates a group of boys nearly perfect in every way. Grateful for an influence outside of her parents negativity, she quickly bonds with the boys, hoping to blend in and learn from them what it means to have a natural relationship with friends. Only the boys have secrets of their own and they'll do anything to keep her safe from the knowledge of the mysterious Academy that they've sworn allegiance to. Bit by bit, Sang discovers that her friends are far from the normalcy she expected. Will her loyalty change when she's forced to remain in the dark, or will she accept that she's traded one house of secrets for another? Meet Kota, Victor, Silas, Nathan, Gabriel, Luke and North in a story about differences and loyalty, truth and mystery, friendships and heart-throbbing intimacy. The Academy, ever vigilant.
