

Meet Ashton Ford...Psychic Detective... Private Investigator Ashton Ford has special powers, powers that some call supernatural. A former naval intelligence officer, highly knowledgeable in cryptology and philosophy, Ford will shatter your ideas of reality and take you into a mystical world of vision, intuition, and psychic truth. A phenomenal psychic, unparalleled lover, and a true Renaissance man, Ashton Ford can see into the future and even into the distant past using his psychic powers to assist special clients who are in crisis. In Don Pendleton's™ fourth novel of the Ashton Ford, Psychic Detective series, Life to Life, Ashton Ford discovers his sense of an orderly universe is threatened by ideas of spirit communication and past lives. Reverend Annie was a powerful, stunningly beautiful psychic who gave spiritual guidance to thousands of troubled souls and was preparing to extend her ministry throughout the world. But when her family and followers began dying in mysterious, horrifying ways, she had to call on Ford to discover the truth behind their deaths. Soon, Ford found that the lovely reverend was the center of a centuries-old mystical group now threatened by malevolent and divisive forces. Ford had to wage a cosmic battle in a shadowy realm of the unreal and the unearthly—a world that challenges all that we know. Excerpt: Life to Life: The scene etched itself into my mind. Reverend Annie was standing in the darkened sanctum. She was goldenly naked, a shimmering vision of feminine beauty poised in an attitude of exultant worship with feet together and stretching upward from the toes almost like a ballerina, back arched gracefully and the chest thrown high, head back as far as it could go and the arms raised and reaching as though she were trying to project herself along that beam of light. You told me she was in jail, the security guard muttered. Last I heard, she was, I muttered back. God! Did you see her? Did you see that? I saw it, yeah, but I was not quite as willing to accept the evidence of the sense perceptions. An extrasensory quiver, back there, had me working along another thread from the loom. I beat a path to a pay phone near the gazebo. And, yeah, the quiver had it right. The Reverend Ann Marie Farrel was still in jail. “Ashton Ford is a spectacular character...” ~Booklist Titles in the Ashton Ford, Psychic Detective Series: Ashes to Ashes; Eye to Eye; Mind to Mind; Life to Life; Heart to Heart; Time to Time.
