

What if the universe would hand you everything you would ever want. What would you do if you were living your dreams every day? What if the job you had was not your passion? Live the life of your dream is about being in the present . The past and the future exist at this moment. I have notice the shift in a paradigm of consciousness. There are so many people who were caught up in the secret ,the power of now, Quantum jumping. There are so many books but no real solutions to your own suffering. You have been living a life of programs implanted by society-parents,schools friends since the age of 3. Have you ever notice that your beliefs map out what your mother said as a kid. I have I vividly recall my mother say she loved strawberryâ€™s . I to this day love strawberryâ€™s it is natural for the a child's mind to be condition to his upbringing. So I give you no fluffy doughy visualizing. Why? Because the answer is inside you already. Do you not know that the kingdom of god is in you already!!!

Your ability to deliver on this inherent promise directly correlates to your level of wellbeing and overall life satisfaction. Just as every piece of. Instead of â€œI hate my job,â€• try making a goal to be in the job of your dreams 12 months from now. Instead of I'm swimming in debt, try, â€œI'm going to find a way to .

If, however, you will learn these ten secrets and make it your spiritual practice to apply them to your life, you will live the life of your dreams. Dr. Steve McSwain is . We all want to live the life of our dreams, don't we? However, very few people are truly willing to do what it takes to actually make it happen. Recognize that you will only be given one shot to live the life of your dreams. There isn't going to be a second chance, this isn't a dress rehearsal. Identify first. Are you living the life of your dreams? Are you happy with where you are in life? If not, what is holding you back? I am willing to bet that you. I hesitate to write this because blogs like this usually involve some cheesy rah, rah advice that's not practical for making it in this messed world. A new year always brings thoughts of new resolutions: some people want to lose weight, others want to make more money, eat healthier, become an astronaut.
