

This volume teaches the student how to play guitar in a funk style. Thirty-six progressions are presented: 12 keys of a Major and Minor Blues, plus 12 keys of rhythm changes. A different groove is presented for each exercise giving the student a wide range of funk rhythms to master. A companion audio CD is included so the student can play along with each example and really get into the groove. Play-along CD contains trio versions of each exercise with guitar, bass and drums.
