

Sixteen-year-old Evan Granger has no problems with being gay. Despite his mother's objections, he wears nail polish and makeup to school and pursues his goal of becoming a professional drag queen. TV drag star Taffy Sweet gives encouragement and Evan's cousin Holly tries to protect him, but school bullies abuse him so badly because of his sexuality and the girly way he dresses that he ends up at the hospital emergency room. After that, even his new crush, a closeted football jock named Moe Garcia, is unhappy about Evan's choice to live his life openly gay. But even in girly clothes and nail polish, Evan is a force to be reckoned with, and he soon shows the bullies-and everyone else-that beating a drag queen up does not mean the queen is beaten down.
