

Jenna Rose Brinley has the voice of a star--and the looks to go with it. At fourteen, she has the poise of a professional, and Parker Blevins and his friends know that she's just what they need to vault their talented garage band to the next level. But when it becomes apparent that Jenna has a pop star attitude to go with her talent, the band has to ask--can she really lead a group devoted to singing about God when she seems only devoted to herself? *On Tour: The Perfect Girl* draws readers into the lives of a group of young musicians on the rise, as they struggle to love the girl who has it all and keep their music true to the Father above.
