

Are you being psychically attacked? Yes! Every day you are exposed to negative forces in the environment from cynical people, malicious people, media advertisements, noise pollution and many other sources. These psychic attacks can cause neuroses, physical illness, bad luck-even accidents. Another ten percent of these psychic attacks are due to metaphysical sources, such as black magic, demonic spirits, poltergeists and energy vampires. This is the first comprehensive guide to diagnosing, treating and preventing psychic attacks. Dr. Goldberg uses the latest research on energy fields, auric bodies, chakras, white magic, black magic, possession and demonology, as well as case histories from his hypnotherapy practice to explore and explain the phenomenon of psychic attacks. This book includes 55 exercises to help you strengthen your aura and learn to protect yourself and your loved ones against all forms of psychic attacks. Psychic protection of this type brings with it a personal empowerment like no other.
