

synecdoche [sih-NECK-doh-kee], noun. A figure of speech in which a part is used for the whole, as in the screen for movies. From Charlie Kaufman, perhaps the most distinctive screenwriting voice of our generation, comes a visual and philosophic adventure of epic proportions. Much as he did with his groundbreaking scripts for *Being John Malkovich*, *Adaptation*, and *Eternal Sunshine of the Spotless Mind*, Kaufman twists and subverts the form and language of film as he delves into the mind of a man who, obsessed with his own mortality, sets out to construct a massive artistic enterprise that could give some meaning to his life. Starring Philip Seymour Hoffman, Samantha Morton, Michelle Williams, Catherine Keener, Emily Watson, Dianne Wiest, Jennifer Jason Leigh, Hope Davis, and Tom Noonan, and directed by Kaufman, *Synecdoche, New York* is an epic story of grand artistic ambitions and creative madness. This Newmarket Shooting Script® Book includes: Exclusive introduction by Charlie Kaufman Complete Shooting Script Exclusive Q&A Color photo section Complete cast and crew credits
