Abolitionism, also called abolition movement, (c. 1830s), in western Europe and the Americas, the movement chiefly responsible for creating the emotional. Increasingly frustrated with the slow pace of abolition, Garrison would forever radicalize the movement in the 1830s by forming the American Anti-Slavery Society. That view shocked the nation, as both Northerners and Southerners dreaded the wholesale freeing of slaves. Interactive Timeline(s): Social Movements and Religion With white Americans discussing their freedom from British tyranny, many were forced From the 1830s to the end of the Civil War in the abolitionist movement grew in the North. The white abolitionist movement in the North was led by social reformers, especially William Lloyd Garrison, founder of the American Anti-Slavery Society; writers such as John Greenleaf Whittier and Harriet Beecher Stowe. When Lincoln called for troops to suppress the rebellion, four more slave states seceded.

Interaction between the various national abolitionist movements followed, The Genesis of the Abolition Movement in North America and Great Britain. Moved to do so by the Society for Effecting the Abolition of the Slave Trade. In contrast to the British abolitionist movement, the American abolitionist and their supporters claimed other reform movements threatened the antislavery. Box 1: Lessons for social movements from the abolitionists Slavery, of course, still exists, and the Americans fought a civil war over the issue.
