

Brilliantly written, fresh and extremely funny... grab yourself a good laugh. 'Unmade Classics'™ features two situation comedies by Lee Daniel Bullen, bestselling author of 'Beset'™. 'Where Are They Now?'™ and 'New Ageing'™ were both optioned by production companies but sadly chopped during the financial crisis cutbacks. Hope remains they'll make it on the screen one day, until then they're proudly presented in this modestly-titled and hilarious eBook! A must for lovers of sharp sitcom. 'Where Are They Now?'™ Two expiring celebrities competing for the same media attention struggle to maintain their profile as fresher faces persistently whoop their way on the telly. Lance Ogden and Orlando Santa Cruz must fight to keep themselves recognised by whatever means possible! 'New Ageing'™ Lifelong hippie and psychedelic-rock aficionado, Jim Starbright, attempts to introduce his 'commune'™ of New Age wrinklies into suburban normality despite resistance from militant members and snooty neighbours.
