

For the U.S. Army, grace under fire isn't an ideal. It's standard operating procedure. In *Winning Under Fire*, managers discover Army techniques for managing stress in the heat of battle, and learn how to put them to work in their organizations. Written by a retired Army major who was one of *Fast Company's* Fast 50 Innovative Leaders in 2002, *Winning Under Fire* combines military know-how and business savvy to show managers how to:

- Channel stress into positive energy for obtaining goals
- Detect and eliminate stress fractures in an organization
- Stay resilient under all conditions
- Build teams that work under any extremes
- Prepare a game plan to get them through every battle
- Be a great leader in times of great duress
